## Getting Started

Our center will be using Brightwheel as a form of communication with our families!

### **Brightwheel is used every day for:**

- daily attendance
- daily report
- photos
- updates/messages
- payment plan
- report absent

### **How to create an account:**

- Install the Brightwheel app from the Apple App Store or Google Play Store
- Wait to receive an email from a Brightwheel customer service person
- Follow the directions in the invite email to be linked to our center

### **Next steps:**

- Login to see your child's info
- Check to make sure everything is up to date

You will see a page similar to a Facebook newsfeed with updates throughout the day!
